

Lana Sullivan Early Childhood Scholarship Fund Application

This fund has been established in honor and memory of Lana Sullivan, a trainer with Child Care Resources Inc., who died suddenly on October 27, 2002 at the age of 33. She left behind a husband, a one year-old daughter, and countless family and friends who love and miss her dearly. Lana grew up in Wisconsin and went to college at the University of Minnesota and Northern Illinois University, earning a Master's Degree in Public Health. She relocated to North Carolina in 1993 and began her work in the early childhood education field at CCRI in 1999. She truly loved her job and enjoyed working with both child care centers and family child care homes. Lana always believed in the importance of quality early childhood education in the development of children and felt that teachers are invaluable in this regard. Lana loved training teachers and parents, so it is only fitting that a scholarship in her name will allow a few teachers each year the opportunity to further their education in this field.

One \$2,000 scholarship will be awarded to a child care center to provide support for staff members taking courses beyond basic credentials. Two \$250 scholarships for family child care homes will also be awarded. The funds may be used for tuition, books and wage reimbursement for work time lost while taking the course(s). Funds may be used during one semester or throughout the academic year. All applicants must complete the entire application (both sides) to be considered for a scholarship.
